## STATEMENT

I, who signs this statements,

Name : Indah Setia Ningsih

Reg. Number : 15.1.06.3.1.021

Study Program: English Education

Institution : Muhammadiyah University of Palu

Hereby declare that my skripsi is original and it has never been proposed to any academic title (degree, master degree, or doctorate) whether at Muhammadiyah University of Palu or other institutions. This thesis contains my original ideas, formulations and research without having been helped by other people except guidance from supervisors. In this thesis, there are no ideas or works of other people that have been written or published, except it is as clearly as written in this thesis as references stated by the authors' name and listed in the References.

I made this statement in truth and if there are divergences and incorrectness in this statement, I am ready to get academic sanction such as cancellation of degree that has been awarded due to this work, and other sanctions based on the norm prevailed in this institution.

## **ABSTRACT**

**Indah Setia Ningsih (15.1.06.3.1.021).** Teachers' View towards the Use of Realia in Teaching speaking Skill at SMP Negeri 6 Palu. A skripsi, English Education Study Program, Language and Arts Education Department, Teacher Training and Education Faculty, Muhammadiyah University of Palu, under the supervisions of Asri Hente and Ismail Manangkari.

The objectives of this research is to find out the teachers' view towards the use of realia in teaching speaking skill. In collecting the data, the researcher used questionnaire items and interview guides. The researcher used three steps of the data analysis, they were data reduction, data display, and conclusions. The researcher obtain some conclusions from this research: first, the researcher found that teachers used realia optimally in their learning process in teaching speaking skill. Second, the use of realia makes class more active. Third, the use of realia makes teachers easier in teaching speaking. Fourth, students are more active and fun in class by using realia. Fifth the use of realia takes a lot of time in learning process.

**Key words: Teachers' View, Realia, and Speaking Skill**
