## ABSTRACT

**Muhammad Arfan W Bare (13.1.06.3.1.002).** Improving Speaking Ability of the Tenth Grade students of SMANOR TADULAKO Palu through Think Pair Share strategy, under the supervision of Nadrun and Andi Naniwarsih.

The purpose of this research is to prove whether the student's speaking ability can be improved by applying Think Pair Share or not. This research was conducted at the tenth grade students of SMANOR TADULAKO Palu. It used two groups pre-test and post-test design because it was quasi experimental research. The research applied Think Pair Share Strategy that can improve the students' speaking ability. Both the pre-test and the post-test were used as instrument for collecting the data. Statistical analysis was used to analyze the data. The result of the data analysis shows that the *t*-counted is 3.30 and the *t*-table is 2.064. The *t*-counted is higher than the *t*-table. It means the application of Think Pair Share strategy can improve speaking ability of the tenth grade students of SMANOR Palu
